### Calculating Finance Payments

Simply multiply your equipment proposal by the finance factor you would like to provide to the customer. We recommend quoting the payment subject to any applicable sales tax. Other services such as freight, installation, software or other soft costs may be added to the equipment cost for finance purposes. All equipment soft costs must be itemized on the finance application or a copy of your sales order may be faxed with the finance application.

### Example:

Equipment Cost: \$ 26,000.00  
x .08897 36 months/two payments in advance

Payment to be quoted to customer: **\$ 2,313.22** + Applicable Sales Tax

- \* Finance Rates Effective **July 2025**
- \* Minimum 2 Years in Business with Same Ownership
- \* Need completed and signed application along with detailed equipment quote
- \* Up to 3 months business operating account bank statements (all pages)
- \* Other business information may be requested upon application review
- \* \$295.00 Documentation Fee
